Thanksgiving Day Game Message

I'd like to take this moment to give thanks for all the bounty we are most fortunate to share, as members of our respective school communities, and as Americans. The annual English High School - Boston Latin School Thanksgiving Day game is an integral part of the Boston community's celebration of Thanksgiving Day. I feel particularly proud to be a part of this outstanding tradition. Let us not forget our responsibilities as keepers of this tradition, nor our responsibilities as students, teachers, parents and citizens. May you both play well, but may the men in Blue-and-Blue prevail!

All the best,
Sid Smith, Headmaster

AMERICA'S OLDEST PUBLIC HIGH SCHOOL

COACH PARKER'S STATEMENT

The end of the eighties has brought together a team of dedicated athletes who have worked hard to give us an explosive and highly motivated team led by four year starters Clarzell Pearl, Reggie Turner and David Harris. Clarzell has broken every passing record in the history of English High and with the tremendous support his teammates provide, he leads our offense in today's game. Reggie Turner will lead our defense today and the remaining senior starters Donnell Ballard, Timmy Lambright and David Harris will close out their careers with a great effort vs. Latin School.

This has been a great year thanks to coaches John Sousa, George Farro, Headmaster Smith and a hard working team of rugged exceptional English High School athletes.

Thank You All,
Coach Parker

Best Wishes To

Headmaster's Statement

As the month of November rolls around, thoughts along the avenue turn towards the renewal of perhaps the oldest and finest rivalry in schoolboy athletics. The friendly rivalry that exists between these two great secondary schools is a source of pride to every member of each school's community. The spirit, enthusiasm and determination of the students attending these two fine educational institutions is as great now as it was when this series first began. I commend the dedication of the coaches and players of both schools. Let us continue the tradition of school excellence and good sportsmanship which has existed through the long and brilliant history of each school.

Coach Costello's Statement

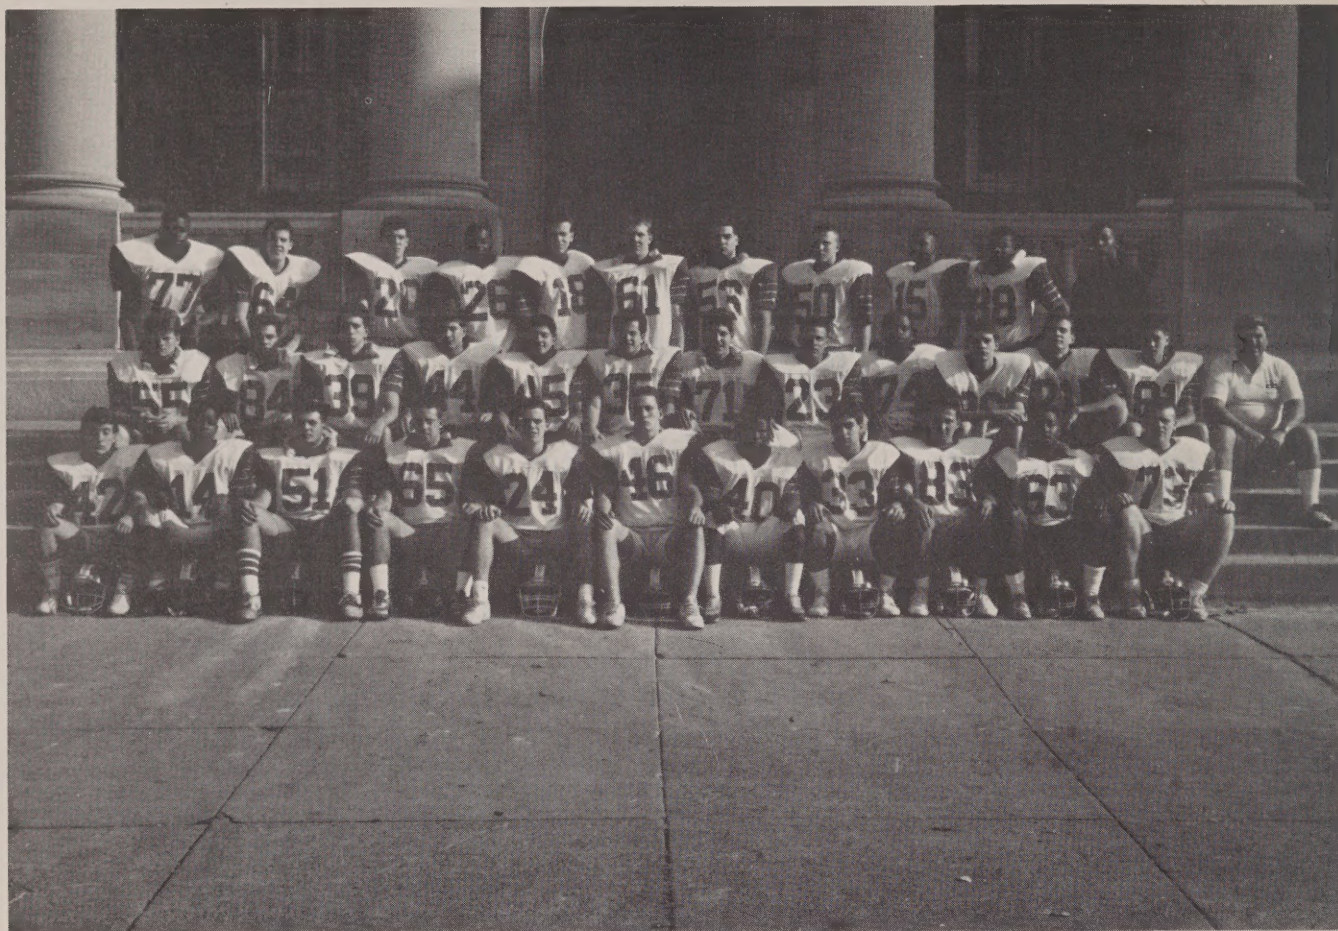

Wolfpack '89 has faced some stiff opposition this year as we played three undefeated teams on our schedule. The team, under the able leadership of Capt. Matt Small, has improved steadily with many juniors working their way into the starting line up.

I would like to thank my Assistant Coaches Frank Casey, Defensive Coordinator John McDonough, J.V. Coaches Frank Stevens, Darryl Ramsey and Freshman Coach Mike Giordano, for all their efforts.

Special thanks to John McLaughlin and the parents of the Gridiron Club for their support and help with the team.

Coach Casey talks to the Hogs!

Good luck to our awesome team.

Let's go out there, tough & mean.

They're nothing but some "English Mutts"

So why don't we just kick their butts!!!

Again!!!

And yet has Latin to taste defeat,

Watch out English, we're gonna make you yield!*
